

Team Shooting Practices with "The Gun"

Coaches imagine running a practice for one hour and getting 1000 shots up! You will when your utilizing the state of the art "The Gun" shooting machine. "The Gun" machine is the greatest aid for shooting a basketball ever invented! Great for team shooting practices!

Fee: \$600/ team

Includes:

1 Hour Team Shooting Clinic with DTA Staff and The Gun! Shooting fundamentals will be included in instruction as well as drills specific to use with the machine.

6 hours of rental time for your team to use the machine on a half court for training. This does not include academy staff.

Rentals are based on availability for weeknights and weekends.

Instructors:

- Drew Gronau: Drew is currently assisting at Aurora University where he played 4 years.
- Erin Dwyer, former head coach at Glenbard North and current director of DTA basketball.
- Kelly Krumweidee: Kelly starred at Glenbard West before going on to play at Bradely University.
- Ron Kammes: Ron played at DePaul University after playing for St. Francis High School.
